DON SUPER-SIZE SHADES AND FOLLOW THE FASHION DESIGNER'S SUGGESTIONS FOR AN UTTERLY CHIC SEPTEMBER

...indulge in a caviar omelette – a Wolseley breakfast signature. The people-watching and old-world elegance at this grand Piccadilly restaurant are almost as delicious as the food.

*The Wolseley, 160 Piccadilly, London W1 (020 7499 6996; [www.thewolseley.com](http://www.thewolseley.com)).*

...lock eyes with a great white. Take in some of Damien Hirst's most important creations during the 'Cornucopia' exhibition at Monaco's Musée Océanographique.

*'Cornucopia' is at the Musée Océanographique de Monaco, Avenue Saint-Martin, Monaco (+377 93 15 36 00; [www.oceano.mc](http://www.oceano.mc)), until 30 September.*

...get ready for your close-up. Track down your favourite black-and-white film, enfold yourself in Kelly Hoppen's luxurious new range of organic loungewear, and host an intimate screening on the sofa – along with someone to snuggle up against.

*Kelly Hoppen's Home Fashion Collection for Earth Couture ([www.earth-couture.com](http://www.earth-couture.com)).*

...make like Jackie O. For an accent of Hollywood glamour, step out in statement shades. A pair of my limited-edition gold sunglasses will turn heads as you soak up the last of the late-summer rays.

*Victoria Beckham Eyewear ([www.victoriabeckham.com](http://www.victoriabeckham.com)).*

...go smooth and sexy. Try a fabulous chocolate wax at London's Strip, a waxing bar where you can also select a new ensemble from an array of tempting designer lingerie.

*Strip, 69 Berwick Street, London W1 (020 7434 4222; [www.stripwaxbar.com](http://www.stripwaxbar.com)).*

...luxuriate in the heady scent of roses. Diptyque's Tubéreuse candle, a scent derived from the rare Mexican tuberose, makes an autumnal dreamscape of any room.

*Tubéreuse scented candle, £36, Diptyque at Space NK (020 8740 2085; [www.spacenk.co.uk](http://www.spacenk.co.uk)).*

...feed your soul. For stylish cooking this season, look to Tana Ramsay's new book, *Kitchen Secrets*. Her inspirational recipes include succulent risottos and scrumptious stews. Perfect fare for cosy nights in with the children.

*'Tana's Kitchen Secrets' (£19.99, Mitchell Beazley) is out now.*

...retreat to the Tuscan sun. Whisk a loved one away for a romantic weekend at Castel Monastero, a perfect base for excursions to surrounding vineyards and Siena.

*Castel Monastero, Monastero d'Ombrone, 19 Colonna del Grillo, Siena (+39 0577 570001; [www.castelmonastero.com](http://www.castelmonastero.com)).*
